Beauty BOOK

“

The annals of American business are filled with ‘impossible dreams’ that have come true. I believed in those dreams — and most importantly, I believed in my dream.

”

Mary Kay Ash

DREAM IT. *Do It.*

Mary Kay Ash built her Company with a passion for changing women’s lives for the better. She opened the door for women to look and feel good while having fun together and sampling innovative products. In fact, many consumers who love the products become Independent Beauty Consultants themselves to experience success on their own terms. Today, millions of Independent Beauty Consultants in nearly 40 countries are living out the dream that our visionary Founder brought to life — proving that no dream is impossible when you have the courage to believe.

A Company With HEART

At Mary Kay, we believe that beauty comes from the inside and shines brilliantly on the outside. As an Independent Beauty Consultant, I offer products that delight and an opportunity that enriches lives. That's how I help women feel beautiful, confident and empowered!

Mary Kay Ash's dream of inspiring others didn't stop there. Her dedication to providing hope through charitable efforts lives on today.

Since 1996, *The Mary Kay Foundation*^{SM*} has awarded over **\$78 million** to funding

cancer research and to domestic violence shelters and programs throughout the United States.

Millions of dollars have been donated to organizations benefiting women and their families around the world through our *Pink Changing Lives*[®] Program.
