Tips

- Invite 10 to 15 friends to ensure a great group will come. Let them know we will begin right on time.
- Let them know that I will be contacting them to introduce myself and find out a little more about their skin type so I can bring the correct samples.
- After the initial call to invite them, call them the day before to remind them of the time and to dress comfortably.
- Obtain outside orders.
- Keep refreshments simple and plan to serve after the class.
