

## Mary Kay Clinical Solutions® Retinol 0.3

Prevent and reverse visible skin aging with pure, *daily*, 0.3% retinol.

- Our first pure retinol that's gentle enough to use daily from day one.
- Clinically shown to improve the look of wrinkles, skin firmness, radiance and smoothness – plus blotchiness.
- No need for a retinization process or an additional calming product.

“Retinol is considered the foundation of youthful skin. Three decades of clinical research demonstrate its efficacy. We all want skin that looks good. More importantly, we all need healthy, resilient skin that can protect us beautifully throughout our lifetime.” – Mary Kay Chief Brand and Scientific Officer Lucy Gildea, Ph.D.

Mary Kay Clinical Solutions® Retinol 0.3 delivers what's loved about dermatology's gold-standard ingredient, and it's gentle enough for daily use. This latest innovation can be used every night, requires no retinization process and no need for a calming product after. Retinol 0.3 delivers a range of age-fighting benefits to prevent the signs of visible aging you can't see yet and reverse the advanced visible signs of skin aging.

**After 1 week:\***

- The look of deep lines improved.
- Firmness, radiance and skin tone improved.
- Skin looked and felt improved.

**After 12 weeks:\***

- 100% of women's skin texture was smoother, and skin smoothness improved by 55%.
- 100% of women had less-visible blotchiness.
- 90% of women's fine lines were less visible.
- 90% of women's wrinkles were less visible.
- 86% of women showed a visible reduction in deep lines, with a very impressive average improvement of 44%.
- Firmness increased by 27%.
- Even tone improved by 37%.

**Usage:**

In the evening, apply a pea-sized amount (one pump) of Mary Kay Clinical Solutions® Retinol 0.3 as the last step before your moisturizer, dotting product on forehead, cheeks, nose and chin. Gently smooth onto entire face in an upward, outward motion, avoiding the eye area. Be sure to apply your eye cream BEFORE applying Retinol 0.3. For best results, use within 6 months after opening.

**Formula Attributes:**

- Dermatologist-tested.
- Non-comedogenic.
- Fragrance-free.

**Use-Up Rate:**

Three months with once-daily use.

\*All results based on an independent clinical study in which an expert grader evaluated 29 panelists who used Retinol 0.3 every night for 12 weeks
